In this course, we will explore the fundamental concepts of science, including biology, chemistry, and physics. Our goal is to help you develop a deep understanding of the natural world and how it works. Throughout the course, you will have access to a range of resources, including interactive videos, readings, simulations, and experiments. You will also have opportunities to collaborate with your classmates, engage in discussions, and receive feedback from your instructor. By the end of the course, you will have gained a comprehensive understanding of key scientific concepts and developed critical thinking and problem-solving skills that will be useful in your Exams.

Class day and time – Sundays 8 am to 11.30 am, join the telegram grp via this link – <https://t.me/+jhztNgaxoAFIN2JI>

The recording of the classes will be available under courses until the current calendar month's end

How to watch the recordings after purchasing the class

The screenshot displays the Farad@ app interface. On the left, a navigation menu includes 'Home', 'My Classes', 'My Courses' (highlighted in blue), 'My Connections', 'My Discussions', 'My Photos', and 'My Documents'. The main content area shows the user profile for 'Sivaranjini' (@sivaranjini) and a 'My Courses' tab. Below the tab, four course cards are visible:

- O/L (2022) Science Rapid Revision...** by Kings Perory, 2 Lessons, 0% Complete, Last activity on February 25, 2023.
- 2023 Revision and Paper Class Feb'23 IS...** by Erendra, 3 Lessons, 0% Complete, Last activity on February 11, 2023.
- 2023 Revision and Paper Class...** by Erendra, 15 Lessons, 0% Complete, Last activity on February 9, 2023.
- Copy of 2024 Theory Physics Month of...** by Sivaranjini, 6 Lessons, 0% Complete, Last activity on February 9, 2023.

Two callout boxes provide instructions: one points to the 'My Courses' menu item with the text '01- Click my courses', and another points to the course cards with the text 'When you join the class the relevant month course will be automatically added under my courses and that will be available through out the current month'.
